

In September we had another virtual cat show, once again run for us by Carol Walker, and, of course, “hosted” by Spud, who kept everyone up to date and amused with his occasional video “chats”. It was another success, raising over £935 and having 448 photo entries, including some from Italy and Malta! We send our grateful thanks to everyone who entered, sponsored and donated to make up that fabulous total, and to our lovely judges who gave up their time to make some very difficult decisions. The 8 class winners and eventual Overall Best and Reserve Best in Show winners are below (yes, there IS a dog, as there was a class for “Any Other Animal” lol). Congratulations to everyone but especially to Sophie Peacock and “Lilo” who was our Overall winner.
