

## “Spudescapades

April 2022/May 2022

Well, how time flies, here we are with number 4 of my “Spudescapades”

I have to say that I really enjoyed reading Hugo’s article and tips in the last newsletter, and so did mummy, although I did try to hide it from mummy as I worried that she might get up to speed with all our tricks! But I am sure we can come up with a few more. And don’t put yourself down, Hugo, OK, you may not be as handsome as me (very few are if I am honest – see, I’m modest as well as honest!) but you are still very handsome and I am sure you are loads braver than you pretend to be too . Can you do tricks? I can sit on command now!

Remember I told you last time that I just needed 1 more Grand Master certificate to get my next title ? Well! I got it! I actually got TWO cos it was what they call a double show where 2 clubs hold one together so I got my new “Grand Mastercat (GMC) Hercule Purrot” title plus a spare certificate . I also won Best Non Pedigree at one of the 2 as well. I then went on to another double show at the end of April and got my first 2 Imperial

certificates. This title is a bit harder to get as I have to get 5 certificates now and not 3 and they still all have to be from different judges. I am off

to another show in St Helens at the beginning of June so fingers and paws crossed. If anyone would like to visit a show and meet me if you haven’t already then I am sure Auntie Shirley can get details off me if you ask her nicely.

I still haven’t had any more photo shoots but the one I did for the new dishes by Scruffs (the one I also did the beds for) have now been launched so look at this fabulous photo that Rose Barnett Photography took! This is from their online catalogue so I am being seen by all the pet accessory retailers now We all just love this photo, especially Rose who took it and the chap who designed the dishes so we are hoping it will be seen a lot! I have been SO impatient waiting to be able to share it with everyone!

Remember last time, too, when I told you I had almost 400 followers on Instagram? WELL! I am now, at the time of writing, up to almost 700! I am well on track to becoming the internet sensation I aim (and deserve!!!) to be. As always you can follow me on Facebook at <https://www.facebook.com/Spud-the-cat-with-a-tash-102068554670424> and Instagram at <https://www.instagram.com/spudthetashcat/> to keep up with me in between newsletters.
